Our Dining Room

For almost 25 years we, at Delizia Restaurant, have had the honor of celebrating many joyful occasions with our guests, their friends and families.

Our private, cozy dining room has been a neighborhood favorite, not only for dinner but for the special moments in our lives.

Whether it's a special event, a holiday party, or a business luncheon Delizia's warm atmosphere and good food have helped make the occasion a memorable one.

We take pride in serving our guests the freshest food of the finest quality. Our menu is full of selections and our dishes are rich in flavor.

We cater lunches and dinners on and off the premises and are happy to help our guests in the menu selection that best fits their needs.
